1. Artistic Assessment

Please evaluate the artistic quality of the event, with particular reference to the strengths and weaknesses of the following:

Artform	Criteria	Rating	Comments and key reasons for rating
All	Vision and imagination of work - Quality of ideas, skills in execution; if you've seen the work of this artist(s)/ company before, please comment on the comparison.	5	A beautifully crafted and well lit solo using Norman Gibson's sculptures and pre recorded music. The choreography was well honed with economical and precise moves.
All (if relevant)	Curatorial/ programming vision/ selection Please indicate how the event originated eg from the exhibiting/ producing organisation, artist-led or commissioned. If the event is part of a Festival, please say how it contributes to the overall programme.	5	Part of Dance Live curated by Ian Spink. Hylsna was a 3K commission. The whole Festival looks very interesting.
All	Success of event against stated aims - in the programme or other printed material, including how well it communicated the artistic themes. Education events – see ¹ below for guidance	5	Claire Pencak spoke afterwards about the theme of verticality. This theme was clearly communicated through the dance and sculptures.
All	Performers/tutors - technical standard, performance skills and ability to communicate and engage. Where performers are not trained, please reflect this in your comments.	5	The solo was very well performed by Merav Israel with a strong focus and clarity of movement.
Dance, Theatre	Choreography/Use of choreography - originality, use of space, number and use of dancers, length of piece, etc	5	Great use of the art gallery space with a small raked seating stand at one end. The solo lasted 30 minutes and used all the sculptures. Some very effective images were created using the mirrored pieces. The moves were interesting and engaging.
Theatre	Script – particularly in relation to new work or second productions. Relevant to classics where the original has been substantially changed.	-	n/a
Theatre, Dance	Direction - Concerns issues of interpretation, casting and presentation.	5	Well directed with super lighting and use of music. The work was delicate and yet very strong. Each component felt integral and created an overall effect of 'completeness' . It was a gem of a work – substantial and real.

¹ Education is a bridge between artform excellence and increased access and participation, and it is people centred. Providing opportunities for learning and progressing in an artform or using an artform to address other, non-artistic, outcomes are equally valid; in either case a high quality strategic approach is required in order to benefit the participants and the organisation. Delivery can be through workshops, post/pre-show discussions, outreach work, etc aimed at any age group.

Artform	Criteria	Rating	Comments and key reasons for rating
Dance, Theatre	Use of music – appropriateness and effect of sound or music (whole/part, live/recorded) to the production.	5	Sections of pre recorded music by a Japanese composer. Absolutely appropriate and of excellent quality (both in the playing and the playback).
Dance, Theatre	Design – costume, set, lighting. Take into account how appropriate the design is in relation to the venue and, where appropriate, the touring schedule.	5	Merav wore a beautiful 2 piece white costume which looked different in different lighting states. The lighting, costume and sculptures were very linked; each part was as important as the other parts.
