It should be noted the views expressed in this evaluation are intended to represent, as far as possible, an objective aesthetic judgement. Specialist advisors and officers should avoid making judgements based on their own personal tastes and preferences.

Title of Event:	St Magnus Festival

<i>(Please rate the event overall, taking into account your ratings for each section. Please state the key reasons for your overall ratings – i.e. the particular strengths and weaknesses. If the management of the event affects the overall enjoyment of the event, please comment, but the overall rating should be based on the artistic merit of the event.)</i>	
<p>This was an inspired choice by a piano duet team, that in my opinion is hugely under-promoted. Messiaen's Visions de l'Amen is on a par with this duo's previous performance in 2006 of Stravinsky's Right of Spring and equally impressive. Engaged by the Festival to accompany the Orkney Conducting Course these two pianists deserve every opportunity to perform on a much wider international stage.</p>

This report has been commissioned by the Scottish Arts Council to evaluate the artistic quality of the production named above. It has been prepared by either a specialist Advisor, or an officer of the Scottish Arts Council, as indicated at the end of the form. The report will be circulated to the organisation which produced the work and to the management of the venue, if the venue is core funded by the Scottish Arts Council.

The report will form evidence for the Artistic Leadership and Public Engagement sections of the Quality Framework and be taken into account in assessing the work of the producing company in relation to applications for funding to the Scottish Arts Council. It may also be used by the Joint Board to report on the overall performance of its funded organisations.

1. Artistic Assessment

Please evaluate the artistic quality of the event, with particular reference to the strengths and weaknesses of the following:

Artform	Criteria	Rating	Comments and key reasons for rating
All	Vision and imagination of work - Quality of ideas, skills in execution; if you've seen the work of this artist(s)/ company before, please comment on the comparison.	5	As part of the celebratory performances of Messiaen's work, the inclusion of the Visions de l'Amen was an inspirational choice that also demonstrates the technical and musical prowess of the performers. Two contrasting piano parts blending as one in an often hostile musical and rhythmical climate technically.
All (if relevant)	Curatorial/ programming vision/ selection Please indicate how the event originated eg from the exhibiting/ producing organisation, artist-led or commissioned. If the event is part of a Festival, please say how it contributes to the overall programme.	5	As above, an inspired choice.
All	Success of event against stated aims - in the programme or other printed material, including how well it communicated the artistic themes. Education events – see ¹ below for guidance	5	As part of the festival's commitment to Messiaen this year, this was an excellent choice within the wider programme.
All	Performers/tutors - technical standard, performance skills and ability to communicate and engage. Where performers are not trained, please reflect this in your comments.	5	A brilliant performance from both pianists – technically adept, but always of the highest artistic and musical quality.
Dance, Theatre	Choreography/Use of choreography - originality, use of space, number and use of dancers, length of piece, etc		
Theatre	Script – particularly in relation to new work or second productions. Relevant to classics where the original has been substantially changed.		
Theatre, Dance	Direction - Concerns issues of interpretation, casting and presentation.		

¹ Education is a bridge between artform excellence and increased access and participation, and it is people centred. Providing opportunities for learning and progressing in an artform or using an artform to address other, non-artistic, outcomes are equally valid; in either case a high quality strategic approach is required in order to benefit the participants and the organisation. Delivery can be through workshops, post/pre-show discussions, outreach work, etc aimed at any age group.

Artform	Criteria	Rating	Comments and key reasons for rating

All	<p>Quality of Presentation/Engagement</p> <p>Performing Arts - technical presentation of the production (eg lighting and sound cues, etc).</p> <p>Crafts/Visual Arts - Use of equipment, space and overall layout/hang</p> <p>Education events - relevance/ appropriateness of presentation and teaching methodology (one to one, group, child centred); details of participant group and activity, including genre.</p>	4/5	Not an ideal venue for two pianos and two full concert grand pianos would have been welcome, but in the circumstances absolutely fine.
All	<p>Audience</p> <p>Performing Arts - appropriateness of the production for the audience/participants; estimate the size and reaction</p> <p>Crafts/Visual Arts – time spent, interest, activity, and visitors' books comments, number of visitors/ participants at the time of visit</p> <p>Education/learning – pre-event involvement, participants/ schoolteachers reaction, understanding, commitment, enthusiasm, number involved, etc</p>		The audience showed their warmth of appreciation to these two young performers.
